Local & Neighbourhood Plans

Local Plan

The reorganisation of Somerset County and District Councils into a single Unitary Council effectively put the review of the South Somerset Local Plan on hold. “The current Local Plan documents for South Somerset District Council [...] will remain part of the Development Plan until they are replaced either wholly or in part by new Local Plan documents produced by the new unitary council. For the avoidance of doubt adopted Neighbourhood Plans will continue to remain part of the Development Plan for relevant areas.”

South Somerset’s Local Plan for 2006 to 2028 was adopted on 5 March 2015. It identified a residual requirement of 106 new dwellings for Martock up to 2028 as at April 2012.

The SSDC Local Plan Review 2016 to 2036 was initiated and got as far as the second formal stage of consultation prior to being put on hold pending the reorganisation of the District and County Councils into a single Unitary Authority. The Local Plan Preferred Options Document identified a residual requirement of 220 new dwellings for Martock and 3 .0 hectares of new employment land up to 2036 (at 31st March 2018).

Under “Infrastructure”, the Local Plan Preferred Options includes the following statements for Martock:

- “The flood alleviation scheme at Martock includes a 300m flood embankment, throttle structures, widened channel, and walls. If development is proposed on the eastern edge of Martock, existing culverts should be upgraded, funded through developer contributions. Flood defences may need to be raised in the future, depending on the location and floor levels of future development.”
- “The Infrastructure Delivery Plan identified the requirement for fluvial flood risk defences, and also a community hall, new open space, sports facilities, play area, and

expansion of youth facilities for the settlement. An equipped play area at Martock is a particular priority.”

- “Symphony Healthcare Services advise that the existing primary healthcare practices in Martock are operating in excess of operational capacity in accordance with national standards. An options appraisal for what type of healthcare development is required and could be delivered in Martock to accommodate the primary healthcare needs of the increasing population will be necessary.”

Neighbourhood Plan

The Martock Neighbourhood Plan 2018 to 2028 version 4.3 was prepared with reference to the SSDC Local Plan SSDC Local Plan Review 2016 to 2036 Preferred Option Version.

Following a positive referendum result, South Somerset District Council has agreed at the District Executive meeting on 3rd June 2021 to make the Martock Neighbourhood Development Plan part of the Statutory Development Plan.
